ABOUT GISM

Global Institute of Supply Management (GISM) is the premier professional Institute in Supply Chain Management. Mission of GISM is to **"Empower Professional Excellence in Supply Management"**. GISM is dedicated to the professional activities like Educational Courses, Executive Development Programs, Seminars, Workshops, In-house Training Programs and Consulting.

ITC, Geneva and GISM

The International Trade Centre (ITC), Geneva is the focal point in the United Nations for Technical co-operation with developing countries in trade promotion. GISM is a Network Partner of ITC, Geneva.

About The Subject " Inco Terms".

The Incoterms rules have become an essential part of the daily language of trade. They have been incorporated in contracts for the sale of goods worldwide and provide rules and guidance to importers, exporters, lawyers, transporters, insurers and students of International Trade.

It becomes very important to negotiate and mutually agree on the Incoterms and have a clear understanding of key obligations and responsibilities of buyer and seller with regard to:

- a) Delivery of Goods
- b) Transfer of risks
- c) Transfer of Costs

To ensure that the correct Incoterms are negotiated, mutually agreed and be fully aware of the Related Costs, Risks and Actions and its commercial implications initiated accordingly, a thorough understanding of the Inco terms is of vital importance to all the professionals who are involved in Contracts / Purchase order/ Export-Import / Legal Aspects/ Insurance etc. and hence the relevance of this Workshop.
